Declaration of Accurate Information and Responsibilities

(For signature by each pilot partner)

The pilot partner of the T4R project, the City of Brussels, represented by its board of Mayors and Aldermen, hereby commits to respecting the following principles and confirms that:

1. The pilot partner is responsible for running the training activities and keeping track of participants.

2. The pilot partner will collect and provide the names of all participants, together with clear information on who has completed the training and is eligible for a certificate through a dedicated Excel (Participants Table).

3. The pilot partner confirms that all details submitted to All Digital are correct and complete to the best of its knowledge.

4. If any information provided is incorrect or incomplete, the responsibility lies with the pilot partner.

5. All Digital will use the information received to prepare and send certificates to the eligible participants indicated by the pilot partner.

6. All Digital issues certificates based on the information provided by the pilot partner and is not responsible for the accuracy or completeness of that information.

By signing this declaration, the pilot partner agrees to the points listed above and confirms its commitment to providing accurate information.
